Radiance™ Towels, Tissue & Soap Solutions

High-Capacity Roll Towel Dispensers

The manual towel dispenser offers single sheet, hands-free dispensing with no batteries required! Holds up to 1,000 feet of absorbent toweling and the auto-transfer stub roll feature eliminates stub roll waste.

Electronic dispenser holds up to 1,000 feet of towels and is fully programmable to control usage and reduce cost. Has features such as: adjustable sheet length, time delay, exposed or hidden mode, and a long battery life.

The entire Radiance™ family of dispensers, including tissue and soap dispensers, use the same locking mechanism and key, which can be used as a lock or a push button.
